TAKE ROAD DISPUTE TO COURT HERE

Kauffman, Taxpayer Of South S. F., Is Plaintiff

PROTESTS WORK

Says Contractor Has Not Met Rigid Specifications

The disputed La Honda road work was taken to court Tuesday by A. E. Kauffman, South San Francisco taxpayer, who seeks to enjoin the county from paying the $2400 due Meyer Rosenberg, San Francisco contractor, until the contract, which Kauffman claims has not been completed, is properly finished.

Kauffman, in a suit filed by Attorney John W. Coleberd of South San Francisco, declares that Rosenberg did not use materials of "such character, dimensions and proportions" sufficient to produce a "smooth, hard, well-bonded surface."

It is charged that the base of the roadway was constructed of the type of rock commonly known as "crusher run," and that this has resulted in a "soft and yielding" base so that "a screwdriver may be forced by the human hand through the pavement."

The complaint further charges that "the pavement is not impervious to water and that water now percolates through the materials."

The board of supervisors, Auditor Edward M. Stack, and Treasurer Harry Jenkins were ordered to appear before Superior Judge Maxwell McNutt at 10 o'clock next Monday to show cause why they should not be restrained from paying Rosenberg's final claim.

Surveyor James S. James has answered critics of the work with the statement that the road has been built according to the rigid specifications laid down for the project.

TWO BADLY INJURED IN ACCIDENTS

Two persons were confined in peninsula hospitals today with possible fractures of the skull as the result of two traffic mishaps Wednesday night.

Mrs. Alice Rodgers, 40, of 803 Prospect road, San Mateo, is in Mills Memorial Hospital, San Mateo, after being struck by the automobile of Dr. Elbert E. Rensch, 146 West Third avenue, San Mateo, a Burlingame optometrist.

The woman was alighting from a stage at State street and El Camino Real, San Mateo, when the accident occurred.

Henry Okuma, 25, San Francisco salesman, is in the South San Francisco Hospital under observation for a similar injury. In the same hospital is Walter Laumeister, 45, well-known resident of Lomita Park, who has fractures of several ribs.

A truck on which Okuma was riding, and Laumeister's car collided on the Bayshore highway in South San Francisco. Miharu Ito, 45, of San Francisco, was driver of the truck.

John Rivera, Colma, was given first aid for a laceration of the head in the South San Francisco Hospital last night when his truck and a street car collided in Colma.

Peninsulan Wins $11,000 Estate

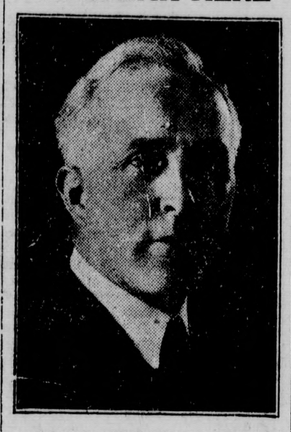
Arthur L. Scott, 244 State street, San Mateo, today has on file for probate the will of his mother, the late Mrs. Charity A. Danforth, who died in San Mateo on January 11. The estate, the whole of which is willed to Mr. Scott, will not exceed $11,000, the son's petition states. The estate has an annual income of $865.

Mrs. Scott's will was written on October 5, 1932 She was 73 years old. Scott is a member of the real estate firm of Scott & Thomas of San Mateo. Donald M. McMillan of San Francisco is attorney for the petitioner.

Lee Ross to Leave On Trip to Havana

Lee T. Ross, well-known local attorney, will depart for a month's vacation in Havana on February 2. Mr. Ross is a hard working lawyer, giving his clients his close attention. He certainly has earned this respite from labor.

TO SPEAK HERE



John J. McGrath, newly-elected congressman of this district, will speak here before the Kiwanis Club and interested citizens on Wednesday noon, February 1.

Congressman John J. McGrath will be the guest speaker at the Kiwanis Club Wednesday noon, February 1. The new congressman will leave shortly thereafter for Washington, D. C., to be present at the inaugural ceremonies.

Prior to leaving for Washington, Representative McGrath is meeting with the citizens of all communities in his district. In order that all who may desire to visit with the congressman may be present, the meeting has been thrown open to the public.

The Kiwanis Club meets at the Sequoia Grill and the charge for luncheon is 60 cents. Those who would like to be present outside of the Kiwanis Club are requested to notify J. D. Hedge, secretary, phone 1640.

It is probable that McGrath will appear before the board of river and harbor engineers at Washington to appeal the provision in the San Mateo county harbor case whereby the local district is required to pay 50 per cent of the dredging cost. In connection with this matter Chairman Carl B. Stoner of the San Mateo county harbor committee has called a meeting of the entire committee for Tuesday evening January 31, at 7:45 o'clock at the San Mateo City Hall. The question of preparing for an appeal will be considered at this meeting.

Rancher Dead By Own Hand On Coastside

The body of Giuseppe Giorgetti, 42, Half Moon Bay rancher, was found lying on the floor of his ranch home Tuesday afternoon when Undersheriff Lawrence Nieri and deputies broke down the door. He shot himself.

Giorgetti had driven his family from the abode the day before with a shotgun, Nieri reported.

Unable to get into the place and fearing a possible battle with the rancher, Constable Fred Simmons summoned Nieri and Deputy Sheriffs Thomas Maloney and Leland Quinlan from Redwood City.

They forced the door and found Giorgetti had fired a charge from a shotgun into his mouth. The body was found in the front bedroom.

Mrs. Rose Giorgetti, the widow told Nieri that her husband had been worried over financial matters. They have two children, Yolanda, 9, and Eugene, 8.

Control of Big Estate Sought In Court Here

Mrs. Frances L. Noone, 4900 H street, Sacramento, today applied for letters of administration in the estate of her brother, the late John J. Royal, of 772 Walnut avenue, Burlingame, who died in that city, January 19. The estate will exceed $50,000, the petitioner states.

Besides Mrs. Noone, another sister, Mrs. Nellie M. Robertson, 1252 Fifth avenue, Los Angeles, and a brother, Walter H. Royal, 1608¾ Arlington avenue, Los Angeles, are mentioned as heirs.

Royal owned valuable real property at 772 Walnut avenue, and 218 California drive, Burlingame. Kirkbride, Wilson & Brooks are handling the estate for the sister.

Royal was a retired furniture dealer of Burlingame. His wife, Christine, died two years ago. Royal's death was a sudden one and was attributed to a heart attack.

HURT BY FALLING TREE

BURLINGAME, Jan. 25—Street Superintendent Bert Rollings was confined to his home today with a bruised side after a tree he was removing fell on him.

CHARTER'S APPROVAL COMPLETE

San Mateo county's new charter was ratified by the state assembly Tuesday. Frederick Peterson of Burlingame notified County Clerk Elmore B. Hinman by telephone.

The state senate had previously ratified the charter. It will now be filed with the secretary of state, and a copy will be sent to County Recorder T. C. Rice for recording and to County Clerk Hinman for filing.

An early court test will be made to determine the legality of the provision which requires the two superior judges to act on the qualification board which will pick the county manager.

Gilman Merrill Passes Away Unexpectedly

Gilman Berlin Merrill, deputy United States marshal of San Francisco and a leader in Masonic circles, passed away suddenly early Sunday morning at his residence, 712 Brewster avenue.

It was his 54th birthday anniversary, and preparations had been completed the day before to celebrate the occasion. Death came at 4 o'clock in the morning of a heart attack.

Mr. Merrill was a native of Butte county, and has lived here for 18 years. He was formerly in business on Main street as a member of the firm of Merrill & Casaretto. For the past four years he has been deputy marshall in San Francisco.

He was a member of Redwood City Lodge No. 168, Free and Accepted Masons, under whose auspices the services were conducted. He was a past master of the local Masonic lodge. Mr. Merrill was also affiliated with the Palo Alto Commandery No. 47, Knights Templar; the San Jose Consistory of the Scottish Rite; Islam Temple; Sequoia Chapter No. 203, Order of the Eastern Star; California Court No. 19, Order of Amaranth, of Burlingame; and San Mateo Lodge of Elks. He was the immediate past grand royal patron of the California Grand Lodge of Amaranth.

Surviving are the widow, Mrs. Wilhelmina Merrill; two sons, Eldridge P. Merrill and Gilman B. Merrill Jr., and a brother, Austin Merrill.

Charter Attack Not Planned at Present Moment

David Cosgrave, Redwood City attorney, announced today that he is not planning to immediately file a legal attack on the constitutionality of the new San Mateo county charter. The principal point of attack is the paragraph requiring the judges to act on the qualification board.

Cosgrave was associated with Attorney W. H. Morrissey in the previous test, which Judge R. R. Syer of San Jose said should more properly have been brought after the charter had been ratified.

If all points which it is desired to have cleared up are mentioned in the test to be filed by Attorneys J. W. Coleberd, Arthur Redington and Ernest Wilson, who wrote the legal phraseology, Cosgrave said he will not take the charter to court. If any points are left out, these will perhaps be included in an action to be filed later, he said.

$10,500 Awarded To Auto Victims By Jury in R. C.

Edward A. Quinn, 26, truck driver, a former resident of 242 Fuller street, this city, and now living at 335 High street, Palo Alto, was ordered to pay $10,500 to two women who suffered injuries December 4, 1931, in a crash in Burlingame.

Mrs. Mary Wilson, 309 Monte Vista avenue, Oakland, wife of Attorney Leo Wilson, state fish and game executive, was given $10,000 of the $50,000 she asked. She suffered a fracture of the skull among other injuries.

Mrs. Anna Metzler, same address, who was driving the car, was given $500 of the $10,000 she sought for a brain concussion and other injuries.

Superior Judge Franklin Swart presided over the trial. Mrs. Byrtha Marshall of Burlingame was foreman of the jury.

Need of Creating Additional Office Space Seen by Jurors

Space needs in the San Mateo county courthouse came in for decided attention in the 1932-33 San Mateo County Grand Judy report filed on Monday with Superior Judge Maxwell McNutt.

Request of Superior Judge Franklin Swart that the chambers in his department be remodeled should be carried out by the board of supervisors at once, the jury demanded.

This remodeling will include the law library and may possibly affect the front office of District Attorney Edmund Scott.

More adequate space in the courthouse was also urged for the agriculture commissioner, librarian and for storeroom purposes of the purchasing agent.

Proper offices for Probation Officer Francis Robinson should also be provided, the jury declared. The probation officer was declared "competent and conscientious" but " seriously handicapped in the work by lack of a proper office and equipment to centralize the records."

While the old jail in Redwood City is being used for the county detention home, following condemnation of the present frame building, the jury urged that the board of supervisors "provide a gradually growing fund for the erection of a new detention home."

Other points in the report, untouched by the Tribune in its account of yesterday because of the late hour of filing, follow:

County Audit—Funds in charge of the treasurer are on deposit with duly authorized depositaries which have filed sufficient securities of a type allowed by law and of a face value 10 per cent or more in excess of deposits held by them. There are two noteworthy facts covered by the audit: satisfactory cash balance, and comparatively low bonded indebtedness of less than $3,500,000. The interests of the county appeared to be well protected, and the financial records well kept.

County Officers—So far as the scope of the jury's observation goes, the body feels that the officers and employes of the county are diligent and loyal in the scope of their duties.

Inventories—Business-like methods of having available the assets of the county have not been followed. The board of supervisors, however, has instructed the clerk to prepare necessary forms for proper inventory in the future.

Meat, Milk Inspection—The jury recommends that the meat inspector and the milk inspector render monthly reports showing the amount collected from each butcher or slaughter house or dairy, and that these reports be cleared through the auditor for verification of amounts.

Sheriff's Office—The jury does not believe the deputy sheriffs should be compelled to use their personal funds "to be reimbursed later by the county" for individual expenses to and from other counties and to and from San Quentin, but urges the establishment of a revolving fund to meet the expenses.

Future Grand Juries—Immediate drawing of the 1933-34 grand jury is urged so that it may be called by the court at any time during the year.

Relief Home—The grand jury commends to the attention of the taxpayers the efficient manner in which the relief home is conducted. The inmates are well cared for, states the report, and the institution is in excellent condition.

Community Hospital—The jury found the operation of the Community Hospital satisfactory in every way with the exception of the collection of accounts. As reported by the Tribune yesterday, the jury urges the appointment of a business manager. The cost of the hospital is found to be large and a heavy burden. The jury declares, however, that perhaps the humanitarian accomplishment in these times justifies the burden.

Social Service—The jury found the social service department "understaffed and heroically" carrying on its work of alleviating distress and "hesitates to recommend any change, however slight, at this time."

Purchases—The grand jury urges that district road supplies, like other purchases, should be secured through the purchasing agent.

Victim of Auto Crash Brings Suit for $7775

J. Dietrich Vollbrecht today filed suit for $7775 damages for personal injuries incurred in an automobile accident at Mills Field, October 23, 1932, against James J. Dingman and Elizabeth Dingman. The plaintiff was a guest in Dingman's car. Avery J. Howe of Palo Alto is counsel for the plaintiff.

Menlo Park

Newly elected officers of Menlo Parlor, Native Daughters of the Golden West, were installed by District Deputy Grand President Ida Pflaff of El Monte Parlor, Mountain View, and her staff of officers on Monday evening. The ceremony was witnessed by a large number from neighboring organizations. The members of the local society presented the installing officer with gifts consisting of linen and flowers in appreciation of the work she had done for the order in this district. Mrs. Isabella Lindquist sang the installation odes. A turkey buffet supper followed the ceremony. It was enjoyed by twenty-six members and guests.

Robert Colloton was removed to the Community Hospital last week suffering from a severe attack of asthma. Mr. Colloton has been for some years a guest at the Pioneer Hotel.

James Andrews, a prominent native son, is at the Community Hospital ailing from a heart affection. He is recovering and will be able to return home.

Mrs. C. Devol is expecting her daughter, Mrs. Brett, wife of Major Brett, next week. Mrs. Brett will arrive from Wisconsin by airplane.

"Red" J. Walrath has been transferred from the Veterans' Hospital in Livermore to the government hospital in Menlo Park. Mr. Walrath saw service in France.

All is in readiness for the big card party to be held in the Central school under the auspices of the local American Legion Post and auxiliary soon.

Menlo Park American Legion Auxiliary Unit 443 held an important business meeting last night. A communication was read from Gladys Anderson, department chairman of membership, congratulating the unit on being the first to obtain their quota of members for the year. Plans were made to continue the food sales each Saturday in order to replenish the welfare work fund.

Plans for a wedding at the Hotel Fairmont, San Francisco, on February 2 are being made by Miss Muriel Beatrice Macfarlane and Walter Emmet Flanders, it was revealed recently. The bride-elect is a granddaughter of the late James Campbell, pioneer pineapple king of the Hawaiian Islands, and a sister of Mrs. Alvar Alfred Norgard (Helen Macfarlane) of Palo Alto. Her mother is Mrs. Alice Kamokila Campbell, who makes her home at the Fairmont.

Mr. Flanders is a son of Mrs. Hazel Flanders of Menlo Park. He attends the Menlo Junior College.

Attendants at the wedding will include Miss Frances Duncan and Mrs. Alice E. Growney. Walter Macfarlane will give his sister in marriage.

Mrs. Sarah O'Neil is leaving for Europe soon with Mrs. Dorothy Bissell of Portland, Oregon. They plan to be gone for a year. Mrs. O'Neil is one of Menlo Park's social favorites.

Speeders threatened today to make this their paradise when the word spread rapidly that the town was "wide open."

Police Chief Frank Love let the cat out of the bag last night when he told the council that the old police car wasn't fast enough to "catch a tortoise."

That is why Chief Love was using his own car recently when chasing a speeder, but since the car was smashed up in a collision and the city has delayed paying the bill of $93, the chief is going to let the speeders go their fast way.

Councilman W. E. Dale favored the purchase of a new police car. Councilman E. J. Crane preferred to let Chief Love use his private car, but the city would thoroughly surround it with insurance to take care of any future mishaps. The motion, however, was lost for want of a second.

Councilman A. H. Anderson suggested use of Chief Love's car on a mileage basis, with the city to bear all expense of upkeep.

Love brought in some figures to show that the traffic court had collected $2400 in fines, while the whole cost of the police department in the same period was only $2600.

But the council remained in a deadlock, and the town is "wide open"—unless, of course, you're caught.

26,000 CARS REGISTERED IN COUNTY

Fee paid motor vehicle registrations in California during 1932 totaled 2,041,824, a loss over the preceding year of 65,451.

The loss though small—barely exceeding 3 per cent—is the first recorded in the state since the first motor vehicle was registered more than a quarter of a century ago.

Considering general business conditions, however, the showing is regarded as remarkably good by the department of motor vehicles.

Registrations for San Mateo county were as follows: autos, 26,196; solid trucks, 169; pneumatic trucks, 1268; motorcycles, 117; solid trailers, 67; and pneumatic trailers, 489.

Registrations for the year were listed as follows by Registrar Russell Bevans: automobiles, 1,865,333; solid trucks, 8039; pneumatic trucks, 98,244; motorcycles, 8338; solid trailers, 7118; pneumatic trailers, 54,752. Total, 2,041,824.

The totals do not include the 38,433 vehicles registered by the state, county and city governments and public utility companies for which fee-exempt license were issued.

Alonzo Justus Dead Here At Age of 80 Yrs.

Following a period of declining health, Alonzo H. Justus, retired school teacher passed away on Monday at the residence of his daughter, Mrs. Roy V. Zirkle, 1127 Madison street. He was a native of New York and had resided here for the past nine years. He was 80 years of age.

Besides his daughter, Mr. Justus is survived by two sons, Carl A. Justus of San Francisco, and Felix O. Justus of San Luis Opispo.

He was a member of Towanda Lodge No. 30, Free and Accepted Masons, of Towanda, Kansas; and of the Wichita, Kansas, consistory, Knights Templar.

Barter Plan To Be Tried; 35 Signed Up

Thirty-five persons who attended a meeting of the Hillview Homebuilders' Club Friday to discuss the "Back to Barter" movement signed up to put the plan in effect as quickly as possible.

The plan is to make themselves self-supporting by exchanging work for common necessities of life until such time as general employment conditions improve.

The Hillview club, which is cooperating in putting over the movement, heard the program outlined by Police Chief Edward Farrell of Atherton, and Louis Jenkins of the Redwood City Lions Club. Harry Eaton, a member of the Hillview club, told of the progress being made in the movement in San Francisco.

A committee of five was named to form a "Back to Barter" club of those interested. Eaton will act as chairman, and his assistants will be Henry Frahm, Ed Walsh, Paul Dussau and Jack Reuter.

Future meetings will be subject to the call of the chair. The meeting last night was held at the Ippolitio garage at the corner of Randol and Santa Clara avenues, southwest of the city.

Official Would Plant Potatoes, Help Unemployed

SAN BRUNO, Jan. 26.—The latest plan to help the unemployed comes from City Councilman William Maurer.

At last night's council meeting, Maurer suggested that the jobless be hired to plant potatoes on city property, and that the crops be sold.

There was some doubt as to whether the city could legally use funds for such a purpose and the matter was taken under consideration.

The city today asked the county bond relief committee for authority to install additional fire hydrants under the bond funds.

WAS 'DUCHESS' TURNED INTO SOAP?

Victoria Vinton, film actress, identified a horse's hide as the former glossy coat of Duchess, a riding horse owned by Mrs. Violet Porter of Los Angeles. Mrs. Porter charged Jess Anderson and Norven Strange with stealing the mare and selling it to a rending plant to be made into soap. The men were ordered held for trial.

UNITED PRESS

'BACK YARD' REPAIRING PROTESTED BY GARAGES

The existence of one of the largest classifications of business in Redwood City is threatened by a condition which has arisen during the past two years.

Seeking to earn money by any honorable means, mechanics who are unemployed, and in some cases those who are employed, are conducting automobile repair businesses in their back yards to such an extent that the licensed garages of the city, which pay high taxes, business licenses, and a necessary costly overhead for plant, stock and equipment, are seriously threatened.

This situation, and possible remedies, were thoroughly discussed Wednesday by the automotive interests of the community at the first of the group business conferences being conducted by the chamber of commerce.

James D. Hedge served as chairman. The automotive group was represented by members from the oil companies, garages, parts distributors and service stations. A representative of one of the large wholesale parts houses of the west was present and contributed many valuable suggestions.

Felt in Other Places

He said the problem being tackled in Redwood City was being felt everywhere, but to the best of his knowledge the movement to overcome it was original in Redwood City, and he heartily endorsed the plan to be followed by the local group.

It was pointed out that mechanics and others who have been repairing cars in back yards at 25 cents per hour, or less, have been securing the discount on parts from parts dealers the same as garages, mainly because the garages have no organized system of ordering parts. It was agreed to take steps to overcome this condition.

Much sympathy was expressed with the mechanic who is out of work and trying to make a living. It developed, however, that if the normal repair work was being done by the garages they could absorb most of the automobile mechanics now out of work in this vicinity.

It was shown also that in a number of cases mechanics who are employed have been soliciting the customers of the garages where they are employed; have been using the garage's right to purchase parts at a discount, and have been doing the work evenings and holidays and have seri-

Removal of City Clerk Bohm Of San Bruno Is Recommended

Immediate removal of City Clerk Emil Bohm of San Bruno because his attitude "has not been compatible with that of a dutiful public servant" was among the paragraphs contained in the 1932-33 San Mateo County Grand Jury report filed Monday.

Other recommendations included the requirement that cities pay for the prisoners housed in the county jail, that the board of supervisors end its laxity in approving claims, that married women be discharged from county offices if they have husbands gainfully employed, that a business manager be appointed to run the Community Hospital, that extravagances be eliminated and further tax savings be affected, that the 40-cent road tax never again be levied, that officials be further advised that they must not engage in the practice of selling supplies or deal with the county, that efforts be made to thwart the opposition to the charter, that better bookkeeping systems be installed in four water districts, that a new detention home be built whenever possible and that attention be given to the need of caring for persons suffering from incipient cases of tuberculosis.

Need of reducing taxes which go "merrily on" is pointed out in the opening paragraphs of the report, but the jury found the "tangled web of extravagance difficult to unravel because of the unbusinesslike and archaic system" in use.

The jury praised the charter, and predicted that it should "bring some order out of the well nigh chaos that now exists."

Bohm, the jury found, kept in his possession for weeks at a time funds of the city he had collected and the city lost the interest as a result. While the condition has been corrected by the city council, Bohm has turned over his duties to a deputy, the jury reports, and criticises his attitude as a public official.

The grand jury auditor criticised the bookkeeping methods in use in East Palo Alto, Ravenswood, Willow road and Millbrae water districts.

Superior Judge George H. Buck, who retired after 42 years' service on the bench, is praised for his "honesty, learning, hard work and lovable character" in a special paragraph in the report.

Concerning the disputed La Honda road work, the jury said it had "the assurance of the county surveyor that this road was built according to specifications."

Co. Politicians Urge Action on Transbay Bridge

San Mateo county citizens and officials have joined San Francisco in urging California legislators to adopt the legislation enabling California to receive $62,000,000 from the Reconstruction Finance Corporation to build the San Francisco-Oakland bay bridge.

The San Mateo delegation urging favorable action on the transbay bridge includes Supervisors Rosalie Brown of San Mateo, John Poole of Redwood City, and Albert Witt of Colma, and Councilman J. J. Fahey of Daly City, J. H. Dennis of the Colma Chamber of Commerce, Senator Harry Parkman and Assemblyman Frederick Peterson. They planned today to confer with Gov. James Rolph Jr., State Director of Public Works Earl Lee Kelly, and Chief Engineer C. H. Purcell, leading the fight for the $62,000,000 federal loan.

Rancher's Wife Pleads Divorce

Manuel E. Cunha, Half Moon Bay farmer, was sued for divorce here today by his wife, Mary, who alleges cruelty. They were married in San Jose, November 23, 1918, and separated December 18, 1932. She seeks custody of their sons, Fred, 13, and Henry, 10. They have a 17-acre ranch at Half Moon Bay, and a quarter interest in Ripon, San Joaquin valley, property. Carl W. Anderson is plaintiff's counsel.

INMAN EFFORTS TO DISCREDIT ROLPH HAVE UTTERLY FAILED

When the state legislature convened at Sacramento on the first of the year, Senator Inman, a political foe of Governor Rolph's, had a committee appointed to investigate certain phases of the administration hoping to secure criticisms and bring Mr. Rolph into disrepute. Inman has failed completely in his object for after weeks of work and when scores of witnesses have been examined nothing has been brought out that would in the very least reflect upon the honor of the governor. Rolph has acted within his rights, performed his duties honestly and with ability.

The investigation was pure and simple a fishing expedition on the part of Inman to endeavor to find something by which the govervor could be censured. It is to be regretted that an able man like the senator would permit his spleen to get the better of his judgment. Inman is an able lawyer but unpopular and easily makes enemies. He fought Rolph in the campaign two years ago and has been annoying the governor ever since.

Mr. Rolph was not responsible for the depression but the depression did stop the flow of money into the state treasury from rich corporations during the period of good times. For the past two years corporations have been unable to contribute to the state. Many, too, have retired from business. No wonder that the treasury suffered, but why blame the governor? Conditions would have been similar under any other governor. Silly charges have been made against Rolph, accusations that might have been made against any other chief executive.

Rolph is a man of courage. This was shown when he dismissed Garrison of the department of public works, and his assistant, when the governor discovered shortcomings in this department. Another man of less backbone would have shut his eyes and held his friends in office.

Rolph's humanity is known. All his life he has labored to aid and help the working classes. He is a human governor who seeks the wants of the people by visiting their cities and localities in California.

Rolph's friends in San Mateo county have confidence in him—they know he is honest, capable and cannot be smeared by the dirty brush of the Sacramento senator.

His enemies believe the publicity caused by the investigation will injure his chances for re-election, but in this they are mistaken for Mr. Rolph is sure to be his own successor in office.

ously impaired the patronage of the places where they are employed.

Sincere efforts to change conditions so that the competent mechanic can be re-employed, at least on part time, and the automotive repair business be confined to licensed and responsible garages and the shops of distributors, will be made. On the motion of Pres. J. E. Morrish, seconded by Robert Wood of the Redwood Automotive Service, and unanimously carried, Chairman Hedge was empowered to appoint a committee to make a further study of the situation, and to devise a remedy. The proposed remedial measures will be taken up with the garages and dealers prior to being put into effect.

Other subjects touched upon briefly included the purchase of cars from dealers outside of Redwood City, and possible remedies for this situation; and a statement that the Sequoia high school is in some instances repairing cars in competition with garages and dealers. These subjects were left for further inquiry and possible action to be taken at a later date.

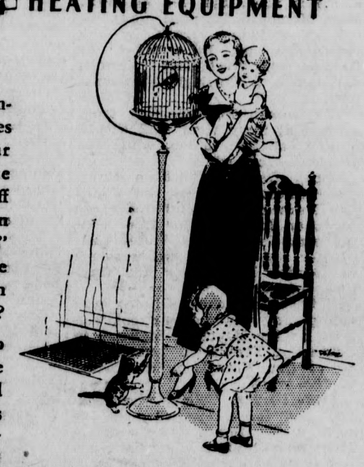
KEEP YOUR ROOMS "ZONED TO COMFORT"
WITHOUT WORRY OR WORK....

Install MODERN-CLEAN-EFFICIENT GAS HEATING EQUIPMENT



HOW many temperature zones have you in your home? Are there chilly halls, closed-off rooms while even your "warm rooms" often drop below the zone of comfort when the fire is neglected?

Today there is no need for parts of the house being cold and only favored rooms kept warm. Today there is no need of bothersome fire tending, stoking, or poking. Modern gas heating equipment has put an end to all this. Such equipment, because it is easily controlled, assures even "Comfort Zone" warmth to every room, regardless of the outside weather. Clean quick-acting heat flows from gas heating equipment at a finger's touch on electric button, key or automatic thermostat.

You can modernize your home with gas heating equipment to have Controlled Gas Heat for a very small down payment and you can spread the cost over many months. Ask this company for particulars, or consult your local heating dealer.

Natural Gas will maintain this "Comfort Zone" 65° 71° at low cost

WIDESPREAD RELIEF WORK OF RED CROSS CHAPTER IS SHOWN AT ANNUAL MEETING

HOW the Redwood City Red Cross chapter's work for the past year has directly helped many hundreds of men, women and children who needed food, clothing, shelter and medical attention, was told in reports delivered at the annual meeting of the local chapter, held in the firehouse auditorium on Middlefield road Wednesday afternoon.

Although the chapter's deeds have been done without much publicity—in fact, some of the most important work never reaches the attention of the public—Red Cross officials, committees and cooperating organizations and individuals have made excellent use of the relatively small amount of money available for relief purposes.

This money is provided by citizens of the community who join the Red Cross during the annual roll call.

The following officers were re-elected for the new year, after the report of the nominating committee by John Gill: Mrs. Z. T. Thorning, chairman; Mrs. Viola Poole, vice-chairman; Mrs. Mary Winter, secretary, and Miss Anne Bullivant, treasurer.

The following directors were named on nomination of Miss Lila Kirkpatrick: J. V. Neuman, Woodside; Mrs. James B. Howell and Mrs. C. A. Devol, representing the Menlo Park-Atherton branch of the Redwood City chapter; A. C. Argo, Mrs. Morris Cooper, Carroll D. Hall, Miss Anne Bullivant, Thomas Cutting, Mrs. A. Kincaid, Mrs. Harry Potts and Elbert Thomas.

Members of the executive committee re-elected were Mrs. Morris Cooper, James D. Hedge and Carroll D. Hall.

The meeting was opened by James Hedge, who presided. Following the reading of the reports of the secretary and treasurer, the new Menlo Park branch was welcomed in behalf of the parent chapter by Hall. Mrs. James Howell is chairman and Mrs. C. A. Devol vice chairman of the Menlo Park branch.

Thomas Cutting gave the report of the recent roll call, which showed over $627 in memberships. The roll call was sponsored by the Lions Club. A membership of approximately 550 will be reported to national headquarters of the Red Cross.

C. M. Doxsee commended Cutting and the Lions Club, and others who assisted with the roll call in November.

Mrs. Harry Potts reported on the chapter's production activities; Mrs. Viola Poole on home service; Mrs. Zoe Thorpe on the junior Red Cross in the elementary schools and Miss Angelina Burns on the junior Red Cross at Sequoia Union High School.

Mrs. Emmett Donnelly reported on plans for a relief organization in the event of a disaster. Fire Chief Mark Ryan will be in charge.

Capt. A. Prusch of the fire department reported on Red Cross supplies given out under the supervision of the firemen.

Elmore Hinman, county clerk, commended the fire department for its many activities in behalf of the community. His report showed that 20 tons of flour supplied by the national Red Cross are being baked into bred by local bakers, through an arrangement made with the chapter. About 225 loaves of bread are being issued daily to needy families, free of charge.

A. W. Russell's report covered first aid activities, and showed that the firemen's first aid team, originated under the Red Cross, recently won first prize in state competition at a contest of the California Society of Safety Engineers.

Mrs. A. Kincaid told of the cooperation between the Red Cross and the social service commission of the county.

The chapter voted $25 for the school dental clinic, following a report on its work by Miss Cora Clute.

Girl Scout Workers Hear Mrs. Price at District 'Pep' Tea

A large group of Girl Scout workers gathered Monday afternoon in the clubroom of Sequoia Union High School to hear Mrs. Elizabeth Price, regional director, who spoke at a "pep" tea sponsored by Sequoia district.

"Permanent happiness for young people results only from worthwhile self-expression and creative effort," said Mrs. Price. "In this jazz age of radio, movies and standardized amusements, girls have too much done for them. An organization that makes real fun out of the doing of worthwhile things and sets as the fashion skill and efficiency in homecraft, should win for itself widespread support."

Mrs. Price remarked that Girl Scouting was particularly worthwhile because of its patrol system and courts of honor which set a premium on originality, resourcefulness, and initiative. "Girls who have discovered the out-of-doors world under trained guidance, and have learned to take care of themselves in it have acquired an invaluable asset for right living," she said.

Mrs. E. H. Werthman, Girl Scout commissioner, suggested that when social and economic reorganization comes with post-depression days, it will be the strong, self-reliant characters to whom the world will turn for leadership and inspiration, and that character-building and self-reliance are the main objectives of all Girl Scout work.

In an impromptu skit, Mrs. A. S. Kalenborn and Mrs. Alice Hand presented arguments pro and con concerning scout work for girls with the "pro" sentiment winner of each point. Informal discussions concerning funds needed to maintain scout work in the district concluded the business of the afternoon. A social hour followed.

Under the direction of Mrs. J. A. Snider and Mrs. R. L. Stewart, tea, sandwiches and cakes were served by Patty Hinchman, Roberta Connor, Ruth Snider, Barbara Wright, Virginia Myers, and Barbara Powell, members of the high school troop.

Through the efforts of Mrs. Thomas Cutting and Mrs. W. H. Moulthrop, the rooms had been decorated with red berries, floor lamps and a well appointed tea table.

The campaign for funds to keep Girl Scout work going in Sequoia district is being directed by Mrs. E. H. Werthman of Menlo Park, Mrs. Paul McCarthy of Redwood City, Mrs. J. B. Newman of Woodside, and Mrs. Craig Roberts of San Carlos. Acting as an advisory board to the Girl Scout organizers are John Gill, Clarence Argo, E. T. Harrison, James Hedge, Merritt Hosmer, Henry Witte, and Thomas Cuff.

Sequoia Sport Dance Set for Friday Evening

Postponed from its original date prior to Christmas vacation, a sport dance will be held Friday evening at Sequoia Union High School following the Sequoia-Palo Alto basketball games.

The dance will be held in the girls' gymnasium. Students of Palo Alto and Sequoia high schools will be charged 15 cents each or 25 cents per couple.

The orchestra of Robert Clancy, Sequoia alumnus, who has recently returned from a voyage to the Orient with his band, will provide music.

FRIENDS ENTERTAINED AT DINNER AND BRIDGE

Mr. and Mrs. Alfred C. Becker of Atherton were hosts Monday at dinner and bridge. The guests were Mr. and Mrs. Thomas C. Christy of Palo Alto, Mr. and Mrs. Alfred Kay of Atherton, and Mr. and Mrs. W. H. Moulthrop of Redwood City.

"Distant Drums" To Be Presented At Drama Tea

"Distant Drums," a play by the Californian, Dan Totheroh, will be read at the Allied Arts Guild Monday afternoon, February 6, by Mrs. Hugh Brown. The reading will be the fourth of a series of five sponsored by the Woodside-Atherton unit of the Junior Auxiliary to the Stanford Convalescent Home. For the last two readings the single admission price has been dropped to $1. This includes tea service, which is ordinarily 50 cents.

Mrs. Merrill Morshead is chairman of the drama tea series. Among those assisting her are Mrs. Elmer Jennings and Miss Kathleen Pringle.

"Distant Drums" is a story of pioneer days in the Oregon country and presents an incident in the life of the playwright's grandfather. The play is now running in New York, starring Pauline Lord.

Spanish War Vets Hear Plans for County Park Camp
